Subject : Change Order No. 1, Task Order No. 7, Contract No. (HD)XG-578

Gentlemen:

The subject Task Order dated 28 April 1954 provides for completion on or before May 31, 1955. Due to extensive redesign which was required by the sponsor and delayed delivery of components, additional time is required.

The period of performance of Task Order No. 7 is hereby extended to and including August 31, 1955. The total consideration, previously authorized, is not affected by this extension of time. All other terms and provisions of the Task Order shall be and remain the same.

Please indicate your acceptance of the foregoing by signing this letter and the enclosed three (3) copies thereof. Retain one copy for your files and return the original and remaining two (2) copies to the undersigned at the earliest possible date.

Very truly yours,

Contracting Officer
